ABOUT THE SCHOOL

Brockenhurst College, situated in the serene New Forest National Park on England's south coast, is renowned for its high academic standards and inclusive community. Welcoming over **1,500 students annually, including 100+ international students** seeking an authentic British education. The college offers an extensive array of courses and top-notch facilities, boasting an impressive track record of success.

Supported by a **dedicated international team, students benefit from comprehensive induction upon arrival and regular tutorials**, ensuring access to both academic and personal support throughout their time at the college.

ABOUT THE LOCATION

Brockenhurst in Southern England blends city and countryside life near New Forest National Park. Its **36-acre campus** offers a serene learning environment, welcoming students age 16-19, is a short walk from the village and easy access to London by train.

Students benefit from **excellent transport links to Southampton's university and shopping in 15 minutes**, as well as nearby Bournemouth. International airports in Southampton and Bournemouth, along with ferries from Poole and Portsmouth, ensure convenient travel. Closest Airport: Southampton Airport.

EXTRA CURRICULAR OPTIONS

Enrichment is separate to your studies and represents a prime opportunity to pursue your interests through both curricular and **extra-curricular learning**. Enrichments are designed to nurture your mind, body and soul; outside of your normal lessons to support your overall development. Enrichments run for 6 weeks each and **you will be encouraged to participate in at least one**.

- Animation
- Archery
- Debating
- Jazz dance
- Mathletics
- Tennis
- Yoga
- SM Marketing
- Photography
- 5-a-side Football
- Cabin Crew
- Life Drawing
- Musical Production
- Politics
- Student Union
- Vets and Medics

SPORTS ACADEMY

You will benefit from regular coaching, training and competition. You will train twice a week and represent the College in county, regional and national events, giving you the constant thrill of hard-fought competition. Importantly, all training and matches will be scheduled so it does not clash with your studies.

- Basketball
- Football
- AFC Bournemouth Female Football Program
- Hockey
- Netball
- Rugby
- Golf
- Talented Athlete Scholarship Scheme

*Some fees to join the Academy

MUSIC & PERFORMING ARTS ACADEMY

Develop your talents in music, dance, acting and singing. You are able to improve your overall skills alongside likeminded people who will help you make the step up to a professional or semi-professional level.

STEM ACADEMY

Designed to provide extra support for students studying science, technology, engineering and maths subjects, and to promote high achievement.

You will benefit from enhanced exam preparation, more mentoring and the choice of additional tasks.

ASPIRE ACADEMY

Benefit from university outreach initiatives, fieldtrips, summer school options and inter-college competitions. They aim to prepare you for the rigorous application processes of the country's most respected universities.
