

SCHOOL PROFILE

Maynard School District will unveil its brand new Maynard High School building in August 2013, which boasts a new state of the art auditorium and gymnasium, as well as brand new athletic fields, situated at the site of the old high school building. There are approximately 350 high school students participating in varied sports programs and clubs as well as an impressive arts program and plenty of advanced level classes. The high school also has a learning center for every grade so it is able to serve students with a broad range of needs, allowing students to receive support in both academics and language. The Maynard Public Schools are committed to high academic standards that encourage students, teachers, and community members to achieve their personal best through life-long learning.

Community Information - Maynard, Massachusetts is a short, 40 minutes from downtown Boston.
