

SCHOOL PROFILE

In order to ensure that students reach their full potential, the Millinocket School District is dedicated to providing a world-class education that is rigorous, relevant, and motivating. This is accomplished through an environment of continual learning for both the students and staff. This district has one of the best performing and visual arts programs in the state and the Science Department provides students with the opportunity to perform cutting edge science experiments. Stearns High School offers a wide variety of Advanced Placement courses and many opportunities for students to display their talents in the arts.

Community Information - Millinocket is a small town located in the north central part of the state of Maine. The area features beautiful forests, numerous lakes, scenic views, and endless recreational opportunities. Baxter State Park contains the beginning of the Appalachian Trail and over 200,000 acres of unspoiled wilderness ideal for outdoor sports and activities. The area has some of the best snowmobiling trails in the state and visitors come from all over the United States to enjoy the sport. There are also opportunities for excellent white-water rafting and boating during the summer season. With an impressively beautiful landscape, Millinocket offers a truly peaceful yet exciting experience.
