

SCHOOL PROFILE

The Santa Barbara School District prides itself on ensuring the educational success of each and every student by providing a diverse staff and a safe and orderly school environment. The district is one of the oldest in the state, dating back to 1866. Offering over 230 academic and elective courses, there is no shortage of exciting and challenging classes in which to partake. The schools promote mutual trust and respect among students and faculty, and with high expectations, the students are empowered to reach their full potential and succeed in today's world.

Community Information - Often referred to as the American Riviera, Santa Barbara is a premiere location along Southern California, nestled between the Santa Ynez Mountains and the Pacific Ocean. With a Mediterranean-like climate all year round, staying inside is hard! Over 57 parks and beautiful beaches can be found in the area. Sailing, surfing, kayaking and parasailing are just some of the water activities to participate in on a sunny day. Santa Barbara also hosts the Parade of Lights, which takes place at its very own Santa Barbara Maritime Museum. In addition to this, it is also proud to present a variety of different functions each year, including music festivals, sporting events, and walks or runs sponsored by non-profit organizations. Let Santa Barbara be the scenic background to your continuing education!
