

# KENT, ENGLAND

## About the College

Located in the south east of England, along the beautiful Kent coast, you will find a college which is a dedicated Sixth Form centre catering for students age 16-19 who want to focus on A-Levels and other post school qualifications. This college has exceptional exam results and offers a wide variety of courses as well as modern facilities and a dedicated international team to support you.

The college has a state-of-the-art gym, science laboratories, fully equipped film studio, creative media department, climbing wall, 200-seat theatre, dance studios, recording studio, large student canteen, swimming pool, large sports hall and much more.

With a student population of around 1,900, the college is able to provide small class sizes and is proud of the exceptional exam results the students achieve and has been praised by the Government moderator for the wide variety of clubs and activities that are offered to engage students and support their growth. They offer a dedicated international student induction to get you on your feet and the team are there to guide you during your programme.

## Location Information

Kent is in the far south-east of England and hugs the coastline. It has easy access to Heathrow and Gatwick. The college is based in a tranquil, seaside town which is a safe place to live and visit. With easy rail links to Eastbourne, Brighton, London and even Paris, you will be able to explore this beautiful and diverse area of England.

The town beaches provide an idyllic place to walk and meet friends or you can share a cuppa at the quality restaurants and cafes and independent boutiques in the town centre. The town has an active sailing club, leisure centre and golf courses. It is a superb, self-contained town for any student visitor.

## Attractions and Events
